MEMORANDUM

To: Capt. Satterfield
From: Lt. Jason Donley *Officer*
Date: 8-31-2014
RE: AIC on Deputy Jones – Conduct and Demeanor, 14-78776

1. On 8/19/2014 Sonya Lopez-Cruz came to the Oak Grove Precinct to file a complaint about Deputy C. Jones. Her complaint was that he was rude during the course of an encounter the night before at her home and that the Sheriff's Office had been to her home five times in the previous three weeks to serve arrest warrants for someone who does not live there. She was also upset that the deputies did not look at her lease agreement or talk with the landlord on the telephone as that would have been proof the wanted subject was not present. She was complimentary of Cpl. Strong and Deputy Artigas and had no issue with the other deputies present. She was also upset that Deputy Jones ran all of the adults through GCIC.
2. I explained to Mrs. Lopez-Cruz that her lease agreement is a contract that states who is supposed to live there and may not reflect who actually lives there and would not reflect any guests. Additionally I explained that talking with a person on the phone that was not present in the house would not reveal anything about other people physical in the house at the moment they deputies were there. She countered that she would be evicted if she allowed anyone to stay at the residence that was not on the lease. I asked her if she had ever known anyone who violated that portion of a lease; she said she had. I explained that while she may honor every part of her lease but not all people do and the deputies don't have a way of knowing that.
3. On 8/18/2014 Deputy Jones, along with Deputy Hult, Deputy Sullivan, Cpl. Strong, and FTEP Trainee Artigas went to 104 Hancock Drive to attempt a warrant service on Zachary Tyler Bowers for Felony fleeing and eluding, speeding (125 mph), reckless driving, and other traffic offenses. These charges were taken by Holly Springs Police earlier in the day on 8/18/2014 at 1114 hours; the offense had taken place on 8/18/2014 at 0435 hours. Bowers also had a pre-existing probation violation warrant (original offense possession of methamphetamine).
4. Deputy Jones said a man was on the porch as they initially approached the residence and when they stated their reason for being there the man became defensive and said the deputies were harassing him and the Sheriff's Office had already been to the residence several times without locating the wanted person. However, when this same was pleasant when he saw Deputy Artigas and called out to him saying, "You remember me from Papa-Pod." (Or words to that effect).
5. A review of video reveals Deputy Jones was direct and assertive in his manner of speaking, as he always is but this did not seem to go well with the complainant. She did not seem to have issue with the other deputies on scene and was complimentary of Cpl. Strong and Deputy Artigas.

6. A review of CAD logs and a phone call to Lt. Carmody revealed no warrant service attempts at 104 Hancock Drive in several months, prior to the complainant living there. Deputy O'Brien said he had stopped by the address earlier in the day on 8/18/2014 but did not locate Zachary Bowers. The complainant and her family have only lived at 104 Hancock Drive since May of 2014. Deputy Jones and the others were only aware of the earlier visit by Deputy O'Brien and were attempting to serve the warrant at a later time in the hopes of finding Bowers at that address.
7. On 8/27/2014, I called the complainant and explained that Deputy Jones speaks to everyone the way he talked to her and his being assertive and direct may have been off-putting but was not intended to be provoking or insulting. I explained the subject the deputies were looking for had fled by car from another officer earlier in the day and the subject's listed address on his driver's license was 104 Hancock Drive, Woodstock, GA. I also explained that given Bowers history and recent behavior it was likely he would continue to violate the law in this county, or other jurisdictions. And, until his driver's license is updated, there may be officers coming to her address in an effort to find him and have no knowledge of the previous efforts by other officers. Once I had explained the rationale for the decisions by the deputies, Mrs. Lopez-Cruz said she was satisfied with the information and considered the matter closed.
8. Exonerated. Deputy Jones did speak in an assertive and direct manner and check all adults through GCIC. Deputy Jones followed proper procedure in handling this call.

Narrative

On the above date and time, I was assisting other deputies in a warrant service. The male which we were looking for has warrants for Felony Fleeing and Eluding and Probation Violation. The Fleeing charge was taken on this date for the Holly Springs Police Department and the address on the warrant is 104 Hancock Drive.

I along with other deputies went to 104 Hancock Drive in an attempt to locate the wanted person. When I arrived on scene, I met with a black male on the front porch of the residence identified as Terry Wilmore. Terry immediately made me aware that another deputy had been to the address earlier in the day looking for the said wanted person, and in the past deputies had been to his residence a total of five times looking for the said person.

I informed him this was the first time I had been to the residence looking for the male, and he informed me that I was harassing him by being there. I was then introduced to the homeowner

Narrative

Sonya Lopez-Crus and I explained to her why I was there. She granted me voluntary consent to search the residence for the wanted person. The male was not located inside of the residence, and she too stressed her concerns of law enforcement coming to her address on multiple occasions looking for wanted persons.

Cpl, Strong then gave Sonya a case card and information on how to obtain a copy of her report. Additionally, he gave her the number to the warrant division so she could explain to them the said wanted person did not and has never resided with her and her family. Cpl. Strong repeatedly defused the conversation from the harassment topic, but it would escalate every time I entered the room. I then decided to exit the residence while Cpl. Strong finished speaking to the parties inside.

I advised dispatch and went back into service.
