Help me be like Nehemiah, help me come to you for guidance, strength, provision, and protection. As I face tough choices and hard situations, help me remember my belovedness, help me remember that I am Your child and Your representative to the world around me. Father, my heart is filled with fear. It seems like I am drowning in the uncertainties of my life. Lord, help me to surrender my fears to You. Strengthen me to face each one and walk through it, knowing that You are with me. I choose to trust You and doubt my fears. I choose against stress and for peace. I choose You, Lord Help me live today in a way that brings honor to Your holy name. In Jesus' Name, Amen.	Read			Family/Friend

You made the heavens and the earth, the land and the sea, the fish that swim in the waters and the creatures that crawl upon the shores. You made me—truly, Your hand crafted everything in this universe. Help me, Lord, not to take any of this for granted. Help me know in my soul I do not deserve the blessings You choose to bestow, yet You offer them anyway. You do this because You love me, because You are perfect and good, and because Your ways are infinitely higher than my own. Thank you, Father God, for breath in my lungs and sun on my skin. Would You please forgive me for that? I need to get to know You better. I need to get to know Your Word and Your promises better. Help me to put You first in every area of my life. Help me to live one day at a time. Help me to not worry about tomorrow but instead focus on what You're doing in my life right now. I want to trust in your promise to take care of every one of my needs — financial, relational, physical, social, spiritual, and emotional. Help me to trust You more and worry less. 						coexist in my heart. If I'm doubting or anxious, my shield of faith has slipped. God, I know that you're looking at the big picture and I can only see a small glimpse distorted by my confusion and perspective. I realize that having faith doesn't mean there won't be setbacks or difficult times, but if I'm going to enlist your mighty powers, then I must prayerfully trust that your will is done on earth as it is in heaven. I pray for a miracle of your design. Your answer isn't always what I want to hear, or the option I was hoping for, but whatever it is I will give you the glory because regardless of the outcome my eternity is with you. Thank you Lord, for your Son, Jesus Christ, enduring the brutal cross for victory

Dear God, we thank You tonight for the good day and for the special way You take care of us all the time. Thank You for the fun times outside and the quiet times inside, and for helping us learn new things every day. Thank You for creating us special, exactly the way You wanted. Thank You for protecting us throughout the day. Forgive us for the wrong things we do. Thank You for loving us even when we disobey or try to do things our way. Help us to always choose Your way, God, because it's always best. We pray for all the people who don't know You, and that they will come to understand Your love for them, too. Bless our family and thank You for good times together and apart. Help us rest well, give us peaceful dreams, and send Your angels around our home to protect us throughout the night. Teach us to trust You and to love You more and more. You are good; You are great; and You are faithful, God. And we love You	Read			Family/Friend

Greene County Jail GA	16468	10/19/2022 09:41 PM	10/19/2022 09:57 PM	Diana Santiago	RAHIM BROWN	Dear God, Thank you for your great love and blessing over our lives. Thank you that your favor has no end, but it lasts for our entire lifetime. Forgive us for sometimes forgetting that you are intimately acquainted with all of our ways, that you know what concerns us, and you cover us, as with a shield. We ask for your guidance so that we might walk fully in your blessing and goodness today. We ask that your face would shine on us. That you would open the right doors for our lives and for our loved ones, that you would close the wrong doors and protect us from those we need to walk away from. Establish the work of our hands and bring to fulfillment all that you have given us to do in these days. We pray that you would make our way purposeful and our footsteps firm out of your goodness and love. Give us a heart of wisdom to hear your voice, and make us strong by your huge favor and grace. In Jesus' Name, Amen. ~	Read			Family/Friend

						Do you want to do things God's way or the world's way? God's ways might seem weird sometimes, but they work. It works to trust God. It works to give our troubles to Him. It works to step out in faith. Scripture tells us that faith comes by hearing and hearing by the Word, but when blessings come our way, it's easy to start relying on our flesh to finish what God started by the Spirit. Doesn't that seem so backwards? What started in faith can't be finished by flesh, by humanity, by our power alone. They say a house is not a home unless God's Spirit is in it - only He can finish what He helped you start.

Teach me how to choose only Your way today so each step will lead me closer to You. Help me walk by the Word and not my feelings. Help me to keep my heart pure and undivided. Protect me from my own careless thoughts, words, and actions. And keep me from being distracted by MY wants, MY desires, MY thoughts on how things should be. Help me to embrace what comes my way as an opportunity... rather than a personal inconvenience. And finally, help me to rest in the truth of Psalm 86:13, 'Great is your love toward me.' You already see the ways I will fall short and mess up. But right now, I consciously tuck Your whisper of absolute love for me into the deepest part of my heart. I recognize Your love for me is not based on my performance. You love me warts and all. That's amazing. But what's most amazing is that the Savior of the world would desire a few minutes with me this morning. Lord, help me to forever remember what a gift it is to sit with	Read			Family/Friend

						We ask for your huge peace to surround us tonight, all of us who feel restless and worried right now, those who have been carrying big burdens and shouldering stress. Help us to lay it down before you, again, even though we're struggling to really let go. Remind us that you can carry it so much better than we ever could. May your power and your rest fill us fresh. May the presence of your Spirit breathe hope deep into our souls, even as we sleep.

Greene County Jail GA	16468	10/15/2022 05:14 PM	10/15/2022 05:43 PM	Diana Santiago	RAHIM BROWN	Trials build you up as a couple instead of tearing you apart 1 Corinthians 13:7 Beareth all things, believeth all things, hopeth all things, endureth all things One of the telltale signs that a relationship is strong is if it can weather difficulties. Does your relationship completely fall apart when disagreements arise or are you able to calmly sit down with this person and work out your issues? Your answer to that question can very well be the only sign you need to know if God is leading you to this person. No one is perfect. We live in an imperfect world and therefore no relationship is perfect. The line between a successful contented relationship and a miserable one hinges on the individuals' abilities to overcome trials within the relationship. If you want to know if God has sent you this person, look at how they deal with problems when they arise.	Read			Family/Friend

I thank You for my being able to be awake again, to see and hear the morning. I am blessed because You are a forgiving Father and an understanding one at that. You have done marvellous things for me and my loved ones yet You still continue to bless me with so much more. Please forgive me every day for some things I may have done, said or thought. That may not have pleased You and I ask You now for your forgiveness. Please keep me and my loved ones from all danger and harm. Help me start this day with a new, pleasant attitude with plenty of gratitude. Let me make the best of each and every day to clear my mind so I can hear Your loving voice. Please broaden my mind that I can accept all things without judgement. Let me not whine or complain over things I have no control over. And when the world closes in on me, let me remember the example of Jesus, to slip away and find a quiet place to pray. Continue to use me to do Your Will. Amen.	Read			Family/Friend

						who makes me happy and I can't even touch you. I'm trying so hard I'll never leave your side . Im just dying inside . My love for you ain't fake like the others you dated it's real. So im on pain my heart is whole no matter how I show you I smile , im happy ; im not because your there. It's a struggle everyday because when you love someone you feel the stuff they are going through . That's what love is when it's real. Two hearts suffer not just one. My life won't be the same until your here . Thank you for this letter it touched my heart a lot I can't stop crying. Words in a letter is like words said in person when the person can't say them . I don't know what I'm doing anymore I'm lost out here. I never had someone love me like you. I pray everyday that I can close my eyes and your by me. Until then I don't think life for me will be the same until your home

I know their is frustration on both ends and we are being so weak. The last thing I want to do is argue. I don't have you close to me it's all dumb this whole thing is dumb. I wish I could go back in time and force you to come and stay with me but I didn't try. I was scared I didn't know what to expect from this . I didn't even think it would get this far. But I still gave you my loyalty in the beginning because we talked. I don't talk to multiple men at once I don't respect that. I'm lost rahim it's hard for me. Everyday putting a smile and seeing you in there or hearing you kills me. I'm someone who cares about you. Like you said they didn't give you genuine love well that's not me when I love I love hard but I never felt the love I feel now so I'm so confused because it wasn't suppose to be like this . I know God has a plan and I'm waiting to see what it is . I can't just go live a normal life and go to the gym and do what I use to	Read			Family/Friend

You love me for who I am and never try to change me. This motivates me to work on myself to bring out the best in me. I love you more than anyone can ever love you. If I had a flower every time I missed you, I would be walking in a garden. This distance between us is unbearable, and I miss you more as each day passes by. You are on my mind every second. Whether I am sleeping, eating or working, you are my constant thought. Now my life revolves around two things, counting days to meet you and reminiscing the memories until I meet you again. And be thankful. 16 Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God. 17 And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him.
