Give a brief narrative of events that lead to the complaint. You may add additional sheets if necessary.

On the listed date and time, Sheisha Thurman advised she was down at Freaknik enjoying the festivities with her friend Trinity Woods when Daquisha Washington walked up to her and threw a drink in her face. Thurman advised Washington then walked off. Thurman advised Washington's sister then walked up to her and advised since Thurman won't fight her sister, she wanted to fight Thurman. Thurman advised she has a TPO against Washington where she is not allowed any direct or indirect contact with her. Thurman advised Deputy Santiago should have taken a warrant out on Washington based on her direct and indirect contact with her. Thurman advised Santiago did not take a warrant out on Washington for the TPO violation nor the simple battery. Thurman advised she wanted to file a complaint on Santiago for not doing her job and wants the problem rectified. Thurman advised she has had numerous issues with Washington and needs to have this problem resolved.

Supervisor/Investigative Comments.

I have spoken with Ms. Thurman and advised based on her statement alone, Ms. Washington could not have known she was at the Freaknik as well. I advised Ms. Thurman she would have had to have a witness to the incident in order for Dep. Santiago to take the warrant out for her arrest
