SHIELDS OF SHAME

On July 16, 2024, I took a phone call from a gentleman who would only identify himself as Shane. Shane wanted to file a complaint on the deputy who was operating Cherokee Sheriff's Office patrol vehicle #1060. On Sunday, July 14, 2024, Shane was exiting Blankets Creek bike park when he witnessed vehicle #1060 heading eastbound on Sixes Road while "*hauling ass.*" Shane told me he pulled onto Sixes Road and followed the patrol vehicle as he maintained the posted speed limit. The only reason Shane was able to get the patrol vehicle number was due to the vehicle having to stop at a red light near the Racetrac. Shane advised this is when vehicle #1060 made a U-turn and began traveling westbound on Sixes Road at a high rate of speed. Shane stated, "*If you'd like I could provide a dash cam. I have a dash cam video with all of this.*" I told him that would be great and provided Shane with my e-mail address. A short time later, I asked Shane if he was going to forward me the dash cam. He told me he will, but only if I subpoena him for the video. I explained to Shane this is not a criminal investigation and I would not be able to subpoena the dash cam video.

The preliminary investigation shows patrol vehicle #1060 is assigned to Deputy Dominic Freeman. He is assigned to the Uniform Patrol Division and works out of the Bridgemill Precinct. Deputy Freeman was on duty Sunday, July 14, 2024. I contacted RMS Manager, Edward Hickey so a search could be conducted on the Automatic Vehicle Locator (AVL). I was able to locate the approximate time when Deputy Freeman was on Sixes Road near Blanket Creek. Sixteen data collection points were collected between the time of 9:55 - 10:00 AM. The area traveled was from Blanket Creek on Sixes Road to Wellstar Way near the Racetrac. The posted speed limit is 40 MPH. The following are the speeds Deputy Freeman was operating vehicle #1060: 36, 56, 56, 55, 50, 52, 58, 50, 18 (U-turn), 45, 53, 49, 41, 53, 51, 55, and 59

MPH. I conducted a search of the CAD and found that Deputy Freeman was not enroute to any dispatched call for service.

On July 17, 2024, I interviewed Deputy Dominic Freeman in the Office of Professional Standards interview room. I supplied him with a copy of the AIC as well as a copy of the Employees Duties and Rights during an Internal Investigation. I read him the Cherokee Sheriff's Office Internal Affairs memorandum and the Internal Investigation Warning (Garrity Warning). Deputy Freeman said he understood and signed both documents. I asked Deputy Freeman if he remembers traveling over the speed limit on Sixes Road this past Sunday? He told me he does not. I told him a review of the AVL shows he was speeding while he traveled on Sixes Road. I showed him a copy of the CAD report and explained he was not enroute to a call. Deputy Freeman apologized and told me he just didn't realize how fast he was going.

Cherokee Sheriff's Office policy 01-03-02 (F) (11) states:

F. EMPLOYEE RULES OF CONDUCT: 11. OPERATION OF VEHICLES: Employees are expected to operate official vehicles in a careful manner and shall obey the laws of the State of Georgia. Employees shall set a good example for others.

The Internal Investigation has shown Deputy Dominic Freeman did operate his Cherokee Sheriff's Office patrol vehicle above the posted speed limit of 40 MPH. Therefore, Deputy Freeman did violate the Cherokee Sheriff's Office Code of Conduct policy, specifically Operation of Vehicles, and this accusation is **SUSTAINED**.
